

GCE Newsletter – January-2021

Dear Subscriber,

Welcome to GCELAB Community

Wish you a very Happy New Year and thanks for joining the GCELAB Community. We're so glad you're here!! We hope our online platform gcelab.com and its services help you in good ways to shape your professional career.

Upcoming Courses

We have published 18 technical courses at our platform presently. We are working on many new exciting courses and some of our courses will publish soon!!

1. Basics of Bridge Engineering
2. Fundamentals of Pway Engineering
3. Civil 3D Highway Design Basics

Looking forward to receiving your feedback once our courses are published.

YouTube Channel

We have published **22 videos** at our YouTube channel covering some free courses and some very interesting interviews of successful professionals across the Globe. Please find the link of our YouTube Channel below and don't forget to subscribe to our channel to watch all upcoming videos.

Here is the link:

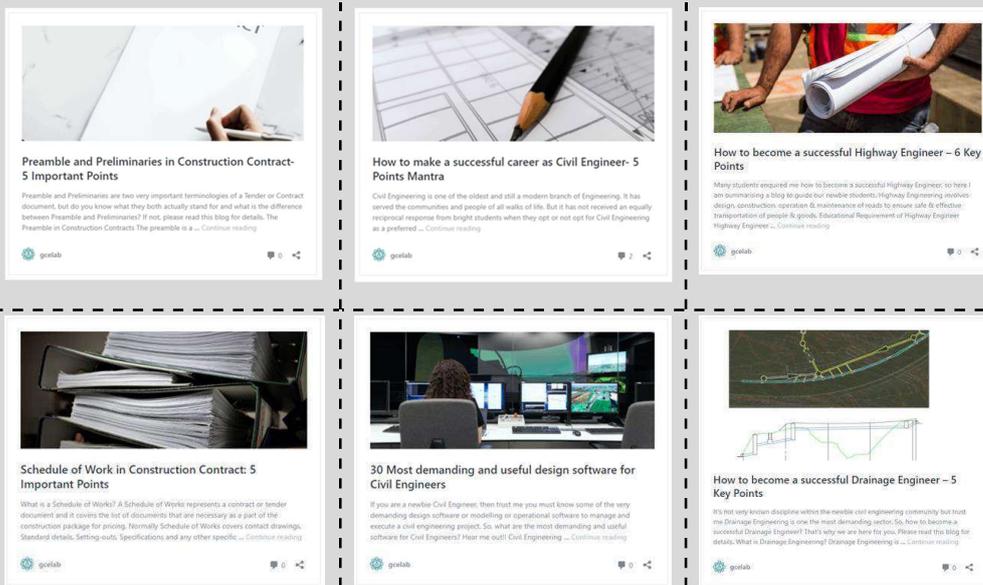

Blogs

We have published approx. 50 Blogs on various Civil Engineering Sub-Disciplines and Loads of Interview Tips for all **Civil Engineering** students and professionals, even if they are not our subscribed members.

If you have not already seen it, please feel free to read it. Some of them are among the **Top Searching Blogs** in Google Search results.

Have a read, here is the link of the few:

Your Feedback

At last, I would be glad if we receive your feedback for our services. Every feedback (big or small) is important and we would gladly welcome any comments and critiques you may have as a reader or subscriber.

Would you like to record a **video testimonial** for our services? It will act as an inspiration for others?

If yes, please feel free to share the video over the mail and we will showcase it to the audience through our YouTube Channel.

Once again, thanks for joining us and please keep coming back to gcelab.com to receive various information related to the **Civil Engineering Discipline** to shape your career.

Regards

Pooja Srivastava
